The Port Washington Business Development Loan Program was established to help revitalization efforts, increase capital investments, provide support for new and existing businesses in the City of Port Washington and encourage growth in its various business districts.

The Port Washington Business Development Loan Program can be used as a primary loan and is also available to be used in conjunction with other loans and financing to aid in project completion. Interest rates are fixed at 2.00%. Each loan is evaluated separately on collateral, risk and terms. Loans are generally not less than \$5,000, or more than \$50,000
